Attorney for Defendant

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA ,

Plaintiff,

vs.

J. FELIX FIGUEROA-VALENCIA,

Defendant

) Case No.: CR-5395-003

) ORDER ALLOWING RETURN OF
) CERTAIN NON-CONTRABAND
) PERSONAL PROPERTY

The matter having come regularly on calendar and having heard no reason why it should not be so recognized, it is the finding of this Court that certain items of jewelry and gold coin(s) seized by government agents incident to the instant matter are not the fruits of any of the Defendant's former criminal endeavors but are in fact family heirlooms. Therefore, it is the Order of this Court that the agency or agencies which may have non-contraband property in their possession that belongs to the Defendant may now return said property to the Defendant or to his designated agent.

Dated this 20th day of June, 2005

Hon. Oliver W. Wanger
